

**Fifth Grade Supply List  
2009-2010 for DDES**

Parents,

We suggest that you go to stores such as Target, Wal-Mart, and office supply stores when they are selling spiral notebooks and duo tang pocket folders with prongs when they are 10 for \$1.00 (sometimes cheaper). You can stock up for the year with just a few dollars. You can also find GREAT deals on crayons, colored pencils, notebook paper, dividers, etc
